Introduction - Paws Into Grace

in my own home The difference is amazing I was so fortunate that, as a veterinarian, that was something I could easily arrange, and it always made me sad to realize my clients could not make that same choice I joined Paws into Grace with Dr Benson out of a deep sense of empathy for all pet owners wanting their pet's end of life care to be

PAWS

to keep David company before he got his real dog He asked PAWS to send his note and toy dog to the other boy, and to let David know when the boy got his forever friend from PAWS And so PAWS did Today they are looking for just the right dog for this other boy, and expect to find him soon When they do, PAWS will tell both boys the good news

Freedom Paws Founder's Message

Freedom Paws a little more than half a year before I was contacted about coming in for an initial interview, and through the waiting process I would often wonder what it would be like if I would get accepted into the program, sometimes speaking out scenarios with my teenage daughter, and other times just imagining to myself what my life would

Understanding Bichon Frise Allergies

allergies by scratching himself, biting himself, licking his paws, shaking his head and rub his face on the ground when pollen is in the air Some of these inhalant allergies are only seasonal For example, some dogs may deal with grass pollen only in the spring and summer Whereas, ragweed pollen could be a problem in late summer and early fall

4PAWPRINTS - 4 Paws For Ability

everywhere he went He had been through more at his young age than most senior citizens ever faced in their entire lives but Connor loved life and Connor loved his 4 Paws Service Dog, Casey who became his steady sidekick staying by him right up to the end Some of my favorite pictures of the "4 Paws Successes" are pictures of Connor and Casey
